### Financial Policy

Thank you for choosing PA Foot & Ankle Associates. We realize you have a choice in selecting healthcare and we are honored you have chosen us. Our staff is committed to providing our patients with the highest quality of care possible. In doing so, we would like to provide you with information regarding our office policies. Please feel free to contact our office anytime Monday – Friday during routine business hours if you have questions, concerns, or suggestions.

- Verification of Benefits- We will attempt to verify coverage and benefits prior to your visit. If we are unable to obtain a verification of coverage, you may be asked to pay in full or reschedule your visit for a time the verification can be obtained. This verification will be used to estimate your financial responsibility; however, this verification is not a guarantee by your health plan to pay for services received. **You are responsible for obtaining an insurance referral from your primary care provider.**
- Payment of Patient Responsibility- Payment of your estimated patient responsibility is expected at the time services are rendered. This payment will include known deductibles, copays, and coinsurance amounts applicable for each visit and or procedure. While we may estimate your financial responsibility, it is your insurance company that makes the final determination regarding eligibility and benefits. For your convenience we accept cash, checks, most major credit cards and debit cards.
- NSF Checks/Denied Credit Card Payments- You will be charged a \$25.00 fee should a payment be returned for insufficient funds. This fee applies to payments made at our front desk, mailed into the Business Office, electronically via the internet, or payments by phone.
- Past Due Amounts- In the event your account becomes past due, and all efforts to collect payment have failed, your account may be referred to a collection agency.
- Forms/Medical Letters- We are happy to assist you by completing forms and generating medial letters for you upon your request. The fee for this service varies depending on the form or letter, but most do not exceed \$30.00 per form. Payment is collected when you pick up the documents. Please allow 14 business days.
- Medical Records- Requests for your medical records and X-rays must be in writing via a special release form. Original X-rays are the property of PA foot & Ankle Associates. Records transferred for continued care directly to another doctor have no charge. Hard copies requested for the patients use will be charged based on the Department of Health's guidelines.

I have read the financial policies contained above, and my signature below serves as acknowledgement of a clear understanding of my financial responsibility.
